Dear Sir

Bus Services

Previously, Wilberfoss had two bus routes (45 and 46) along Main Street. Now, only the X47 serves the village, and the X45 and X46 run express routes on the A1079. This limited service affects seniors in particular who need transport for essential services in Pocklington and beyond. Additionally, residents on the west side of the village lack access to the Express services as there is only a bus stop at the east of the village.

I request that East Yorkshire Buses re-route the X45 and/or X46 **eastbound** through the village. The driver can enter and exit from the left, causing minimal disruption to the service timetable. Whilst this does not solve the issue of the dangers of crossing the A1079 for westbound travel, it would improve the limited service we currently have, assisting our vulnerable residents, and enhancing accessibility to essential services

Yours faithfully
